

LAKESIDE SPEEDWAY AND I-35 SPEEDWAY

Grand National TECHNICAL BULLETIN

November 1, 2009

To: All Grand National Drivers and Crew

Subject: Grand National Border War “Game On”

In 2009 Lakeside Speedway and I-35 Speedway worked together to introduce the Border War for the Grand National Class. In 2010 the rules are the same at both tracks so we are expanding the Border War Booty.

The following benefits apply to those competing in the Grand National Border War “Game On”:

If you win at Lakeside on Friday and I-35 Speedway the following Saturday or I-35 Speedway on Saturday and the following week at Lakeside Speedway on Friday night you will receive a \$250 bonus.

If you finish in the top 2 at one track and follow up with a top 2 finish at the other track the immediate next race night you will receive a \$100 bonus.

If you finish in the top 3 at one track and follow up with a top 3 finish at the other track the immediate next race night you will receive a free pit pass at both tracks the following weekend.

Points will be kept in the Grand National Border War “Game On” to determine an overall season winner to be presented an award at the season ending banquet. 10 points for a heat win dropping one point per position and 50 points for a feature win dropping 2 points per position.
